Communications Corner

Have you been working on a project for the Club that you want others to know about? Have you a plan to promote the event/idea? Remember that the Communications Committee can help you with your event. This umbrella committee represents Public Relations, Electronic Communications, Tel-O-Zonta, Phone Committee, Inter-City, Website, IT and Design and the Roster. Our goal is to create a professional appearance in all our communications and to collaborate, using the most effective and efficient means possible, to reach the intended audience(s) with our messages. Contact any of us who you think can help. We will continue to offer and share tips and suggestions in this column that all club members can use.

For example, what are you doing with your Zontian magazine when you are finished with it? One idea is to remove your identifying information, and take it with you the next time you visit your doctor, dentist or someone else with a waiting room and leave the magazine there for others to read. Another tip is to give away your Club emery boards to friends and colleagues (to be handed out at the next meeting) or order some business cards with the Zonta logo from Sandra Cronk at the next meeting and use those in your business/professional life.

LEWIS CAROL

Our Zontians are busy this month! Some of our members will greet breast cancer patients, survivors and their supporters at the Life After Breast Cancer Conference, which we sponsor, on October 19.

Our Person's Day Breakfast on October 20th promises to be interesting with attendees seeing the historic play written by Nellie McClung herself. Our Governor, Bonnie Crogan-Mazur will be there to support this event.

Ticket sales at Limeridge Mall for our House Lottery fundraising project will take place from October 31 - November 6th and November 14 - 20th. Please support our Fundraising Committee by covering as many shifts as possible during our time.

Our October joint meeting with the Zonta Club of Hamilton 2 is being planned by the Awards committee. We will hear from some of our award recipients and learn more about the awards we give.

When she presented our Area 2 Public Relations Award at the conference, Area Director Rosita Hall told everyone about our service work, including the \$100,000 we have given to the CIBC Breast Assessment Centre. Because of the service we have done, we have been honoured at the Hummingbird Ball, have had great media coverage for different projects and received the Outstanding Philanthropic Group Award from the Association of Fundraising Professionals Golden Horse-shoe Chapter. This award will be presented on No-

vember 16 with ten of our members in attendance.

At the conference, someone I did not know came up and said, "Your club is the club that every other one wants to be." You can imagine how proud I was! We have an awesome, hard working, brilliant group of women in the Zonta Club of Hamilton 1. One of the many reasons our club is so successful is because many members do attend conferences and conventions to get ideas as well as renewed enthusiasm. Meeting Zontians from around the world helps to give a global view of our volunteer work.

People are getting to know the Zonta Club of Hamilton 1. Congratulations to us!

Yours in Zonta,
Nancy Goodhew

Fundraising Committee—Update

Zonta has been give the weeks of October 31 - November 6th and November 14 - 20th to sell tickets for the Ultimate Dream Home Lottery. We will get another week in December. Dianne has a list of the ladies attending the luncheon on the 16th of November and will be sure that none of them are scheduled for a shift during the time of the luncheon for our award.

She wants to work on the selling schedule for our weeks at the Mall, so please email Dianne with any dates that you are unable to work a shift selling these tickets during these weeks. If you have not signed up to sell these tickets please sign up and help us. If there is someone in the club that you would really like to work with or a friend please let Dianne know. If you have lots of time on your hands and want to do numerous shifts please let her know that too. Dianne's email [<mooredianne8@gmail.com>](mailto:mooredianne8@gmail.com)

International Activism & the Nobel Peace Prize

Dear All,

The 16 Days of Activism Tool Kit is now available on the 16 Days website. Go to www.16dayscwgl.rutgers.edu which will bring you to the home page for this year. Scroll down and click on the tool kit. You will find valuable information in the tool kit and be sure to read the opening letter which gives helpful advice on how to customize your program. The 16 Days of Activism is an appropriate way to advance the cause of ending violence against women and raising awareness in your communities. The smallest effort will be rewarded by increasing the visibility of your clubs as well. Please let me know of your efforts so that I may share them with our international community.

On another note, it was announced that three African women, among them President of Liberia, Ellen Johnson Sirleaf, were awarded the Nobel Peace Prize. The citation said, "We cannot achieve democracy and lasting peace in the world unless women obtain the same opportunities as men to influence developments at all levels of society." The other two recipients are peace activist Leymah Gbowee, also of Liberia, and Tawakul Karman of Yemen, a pro-democracy campaigner. The New York Times article (today, 7/10/11) reads "Most of the recipients in the award's 110 year history have been men, and Friday's decision seemed designed to give impetus to the fight for women's rights around the world." The entire article can be read on the NY Times website www.nytimes.com.
