## *Zonta Member Survey*

### Moving Forward 2022-2023

The board has developed a survey to help guide us to build club goals and direction for the next year. We want every member to have the opportunity to provide input as to how our club will grow and flourish.

The survey requires some time and effort from members, as there are 8 questions but not all are multiple choice. Please make yourself a cup of tea or coffee or glass of wine and set aside 20 – 30 minutes to give us your ideas and opinions.

The survey will be in 2 formats for ease of completion:

Online – Google Form – fill out form and it will be automatically submitted

PDF – Please print out form attached to the Tel-O-Zonta, and you can write in your answers.

You can scan and return by email to Debbie or mail a hard copy to Debbie

**Please reply by Wednesday August 31.**

## *August 2022 President's Report*

Happy Summer to my Zonta sisters! I hope all of you have had some lazy days and an opportunity to feel the sunshine on your face! This time to relax and recharge, will help us to be ready to focus and recommit to Zonta's mission this upcoming year.

Please share a warm welcome to our newest member *Patty Ollies* who joined us in June and will be inducted in September.

I wanted to share three paragraphs from the Welcome Letter from 2022-2024 Zonta International President Ute Scholz sent last month.

“These last two years have taught us much about being flexible and resilient while still staying focused on what matters: every woman can develop her full potential and say NO to violence against women.

Our continuing mission and vision, along with our new theme, “**Build a Better World for Women and Girls**”, are even more critical as the ongoing effects of the pandemic and even more sadly, war, threaten the rights of women and girls.

Zonta International is needed now more than ever! Our vision for gender equality is not yet a reality. We need a strong, committed community of our members, partners, friends, and supporters. **Together, we have the skills, will, energy and resources to make a difference for women and girls worldwide. Let us all together build a better world for women and girls!**”

Yours in Zonta Spirit!  
Debbie

### **Maxsold and Marketplace this Summer**

Maureen Hayman has become the go-to-person at her condo complex for people moving in but having too much stuff, or in one case, a neighbour that her husband, Ralph, is such a good sport. He says sometimes he feels like he is living in a thrift shop as people bring boxes and bins to his door, and he willingly helps move things out to my van!

We made about \$1150 on the most recent Maxsold, and have sold another \$700 of bigger items, from both Maureen's complex and Alina's move. Plus we have about half of what we need for another Maxsold this fall.

Suggested items: kids toys, small tables, outdoor décor, old radios, phonographs, cameras, sewing machines, tools, occasional chairs, garden items, bicycles, golf stuff, hammocks, outdoor furniture.

So just a reminder, if you have items to donate, or know of anyone who is downsizing or just decluttering, we are happy to help them get rid of things while we make money for the club.

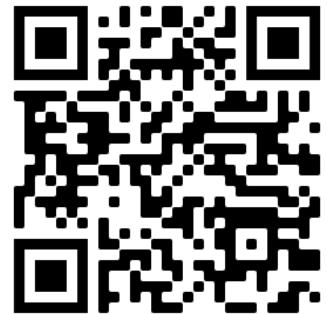

We have received our first commission cheque (\$62 USD) o thank you for anyone

### **Tru Earth**
